In St John's church, Fitchville, Wednesday morning at 9.30 o'clock Francis Arthur, youngest son of Thomas H.

Mrs. F. F. Richards reported for the home department. She said the home

Twenty-one of the schools have all three departments and 56 have at least one department.

Standing of the Districts. President H. D. Johnson in reporting read the requirements of the associa-tion and then gave the standing of the five districts in the county to date. When a district reaches the maximum number of points, 12, it is classed a front line district, and if it has 9 points or over it is a banner district.

or over it is a banner district.

The standing of the districts follows: District No. 1, 6 points; No. 2, 12 points; No. 3, 9 points; No. 4, 11 points; No. 5, 10 points.

The county standard is similar to the district standard and at the present time New London county has 11 points to its credit. Two additional home departments will give the county the departments will give the county the necessary point to make it a front line It was announced that both home departments are to be organized shortly.

President Johnson Re-elected. The nominating committee, James L. Case, James C. Macpherson, H. W. Gallup of Norwich and Miss Ellen Cott and Richard W. Mansfield of New London, announced that they had renominated all of the old officers with the exception of the secretary, who declined nomination, and they were reelected.
